Many people are not aware of what a publication class is. Actually it is the yearbook staff. Each year Publications provides the students here at Sonora with an annual yearbook. This year's staff consisted of many hard working students that made El Vencedor '88 possible.

With the help of this year's staff, I was given the opportunity to experience the title of Editor-in-Chief. I would like to thank the following people for making this year a big success! - Doug Stanton: for giving me the chance to become the first male Editor here at Sonora, Alice Yeh: for being the best assistant that I have ever had, Brent Sheffield: for the countless hours of photos and Brent, you can call me "Peeteer" all you want, and a very special thanks to the "Crocker Clan" for making these pages possible. I have learned from this title as Editor-in-Chief the responsibilities of making decisions and meeting deadlines. I sincerely give the best of luck to next year's Editor and staff!!

WHAT CLASS IS THIS?????

We began in September with bright hopes, bright dreams: serve the school! Rouse some spirit!-Homecoming, Spirit Week, Dress up Days, Dances, but not to forget business as well: Candy sales, Bagel sales (only a few minor casualties), concessions, Stadium cleanup, The Weekly Senate Meeting . . . Ah, yes, each Tuesday the Senate convened and we formally announced, stated, informed, reported, approved, commended, moved (not motioned), counted and recounted votes. And Robert's Rules of Order became a part of us. As did a few select phrases: sign-up, set-up, clean-up, Fundraiser, P.O., Policy 2.1, activities request form, "Senators/Jrs., Srs. of America . . .". Announcements were announced, posters posted, the marquee marked, and the Senate News became more than a peculiar phenomenon, but a regular source of reliable information. Highlights of the second semester: the March Olympics, Lip Sync & Hula Hawkins. Now we part with fond memories, thanking you the student body for giving us the opportunity to serve and hoping we have done so well.

Meeting adjourned.

ORGANIZATIONS

1987/88 SWAS Leadership

SWAS is a natural and logical extension of Sonora High School. It is founded on the premise that some students can achieve a more meaningful and complete education in an alternative learning environment — learning in a different way, under different circumstances, in different places, at different times and for different reasons. In this environment he/she will become not only an active (vs. passive) learner, but also a more self-confident, independent, and mature human being. Most importantly, the learner will be able to make sound, intelligent, and practical decisions and learn to live with the consequences of those decisions. For real education is not what goes into a person, but what comes out of that person in the form of wise decisions.

KEY CLUB

This year's key club was headed by President, Dave Ratcliffe. The club got off to a slow start and was plagued by poor support.

One reason for the weak membership is blamed on the misconception about our club. Key club, despite popular belief, does not make keys. However, we did make one for pictures. Our club is associated with local Kiwanis clubs which devote their time and money to community servies. For all you seniors, you've missed out, but all the rest of you can take advantage of becoming a member of Sonora's community service club next year.

October 30 marked the day of yet another successful Sonora High School Homecoming. The field was decorated with black and white balloons depicting the theme "Opposites Attract". During the half-time ceremony Larry Robles and Tara Davis were crowned King and Queen. Though the game ended with low spirits due to our loss to Troy, 17 to 3, the rest of the evening was filled with fun and excitement. Congratulations to the 1987 Homecoming Court!

When walking through the lower commons during 6th period, you can usually find yourself in the middle of 24 dancing girls. This past summer, Drill Team attended camp in Santa Barbara. The highlight of the 87-88 Raiderette Drill Team was performing at the annual spring show. This year many friendships were made that will always be treasured.

This year's Dance Production was a great success. Dance Production officers, under the direction of Sandy Johnson, were Shannon Roy and Tristan Ulicny.

Shannon and Tristan did most of the choreography and took on most of the responsibilities. However, they felt that this year was the most productive in Dance Production because other members of Dance Production class also helped with choreography and created more variety and ideas for our shows.

The Drumline was headed by Drum Captain Zeke Armenta and Drum Co-Captain Craig Sheffield.

This year, the Marching Band had a lot of new faces. The Marching season consisted of performing half time for home football games. The show included a variety of music from the 50's-80's. The director, Mrs. Boeving, and band members contributed many long hours and a lot of hard work. Since there are no seniors and a large number of incoming freshmen, the band can only reap the benefits.

CONCERT BAND

Concert Band season, this year, was an exciting one. It was filled with travel to festivals and performances at other schools in Southern California. With Ms. Boeving in the lead and new music on the stands, our Concert Band had all the right stuff. The school provided us with new equipment including synthesizer, amplifiers, and an electric guitar. The Boosters worked tirelessly with us to support our growing program. Jazz Ensemble put the beat in our hearts by playing popular music of the rock and jazz world. Although small in numbers this year, we are big on enthusiasm and pride for the quality of our band.

This past year was very successful for the Raiders. It was full of rejoicements and disappointments. With the majority of the team returning, the Raiders were able to go 5-4-1 for the season. It's been a long time since Sonora has had a winning record and we hope it continues. Because of their dedication and hard work throughout the season, Raiders obtained 9 all-league honors. The Raiders should not be disappointed in their efforts this year, but rather proud of their accomplishments. Good luck in the future Seniors, and good luck next year.

This year's Varsity Cross Country team accomplished all it's goals. This included taking 2nd place in Freeway League and qualifying for CIF. The Seniors; Tim Delkeskamp, Todd Aagaard, and Kevin Matney, lead the team in it's outstanding season. Tim Delkeskamp ran an excellent season, running with one of the fastest times in the county. The hard work and dedication of Todd and Kevin kept Sonora up with the best teams in CIF. The work of the younger runners didn't go unnoticed. Brad Aagaard, Mike Murphy, David Rojas, and Ken Lee all performed well for Sonora. Without their outstanding times, Sonora would not of finished as well as they did. Congratulations Cross Country for a job well done! Good luck in future Seniors, keep on the run.

Sonora's Varsity Basketball Team fought through a very successful 1987-1988 season. However, 9 of their 13 losses were by 8 points or less. Completing their careers this year were Seniors: Geoff Crow, Gene Metzger, Harvey Ivory, Jihad Khashram, Scott St. Clair, and Grayle Humphrey who was a 4 year Varsity letterman. Returning Juniors include Matt Recktenwald, Jon Nalbandian, and Tim Savage. The Freeway League season was highlighted with some convincing wins over La Habra, Troy, and Buena Park.

Leading the way this year were leading scorers: Grayle Humphrey and Scott St. Clair who were the Raiders CO-MVP award winners. They figured prominently in all of Sonora's games. Matt Recktenwald received the Coaches Award for the most improved player in the basketball program. All in all it was an exciting season, one that leaves with the players, student body, and administration with a real sense of commitment to excellence.

With few seniors leaving and excellent freshmen sophomore, and juniors, next year's team will definitely prove to be nothing less than exceptional.

Kevin Lewis is the only Senior on the team which indicated the potential of next year's team. He has qualified in CIF three times. David Stack is the 1987 Freeway League Champion as a freshman. Richard Randall rounds off the men as a solid performer. Linda Sheldon is a club diver, who's one of the best in the League and trying for the championship. Gwen Shrey is an incredible swimmer and diver. Tami McAbee, Christy Wettingell and Rachelle Rachman are first year divers who show real potential. We have one of the best programs in the state and hope to have a rewarding year.

Gosh, 1988 was a vintage year for Sonora's Track Team. The team had several close meets at the beginning of the season. Last year's entire distance team returned, led by Tim Delkeskamp, Todd Aagaard, and Mike Murphy. The team was under the fine leadership of Del Ventress, new track coach for the 1988 season. Exceptional performances came from long and triple jumpers, John Tang and Kurt Takahashi. Also, Brad Aagaard and Aaron Wade did well in half-mile competition. The team got some unexpected points in the discus from Bill Robb. Grayle Humphrey had a fine season in the 440 and high jump. The team had an exceptional mile relay, which blew away the competition. Overall, it was a great season.

This year's varsity soccer was a young team. Consisting of mostly underclassmen, it was a year to gain experience and learn to work together as a team. Sonora was lead by seniors Kevin Lewis, Adam Johnson, Felix Rugamas and Brent Sheffield. League play was very competitive, leaving most games to be decided by just one goal. Since Sonora was unable to get along with the referees, Sonora was faced with frustration and numerous penalties. Sonora looks forward to a strong season next year with the skilled and aggressive play of Scott Szeredy and Hector Vasquez. Thanks to coach Butch Szeredy for his time and effort and to all the fans who supported Sonora Varsity Soccer. Good luck next year!

The 1988 Sonora Raider Varsity Baseball team was led by Senior, and 4year letterman Mitch Kaylor and power house Kyle Schatzel. The team was coached by an outstanding guy, Skipper John Link, and assisted by Scott Sisk. We had a very successful season due to specific reasons, such as the 15 returning lettermen from the year before which included: Graham Staines, Daryn Martin, Mitch Kaylor, Kevin Cook, Troy Karacus, Kyle Schatzel, Stuart Cochran, Lance Storm, Chris Ortiz, David Strieter, Brent Smith, Al Lopez, Alex Duarte, Jon Nalbandian, and last but not least Jack Hay.

The team entered two very prestigious tournaments, the first being the Glendora Tournament and also, the Anaheim Elks Tournament.

They were tournaments to gear up the team and get ready for league play. We had a lot of difficulty, with guys getting hurt or sick but the team fought hard and with out our great team work we wouldn't have done as well as we did.

This year our Sonora wrestling team was happy to have Tim Ricketson as our new coach. This years team was fairly young and energetic!

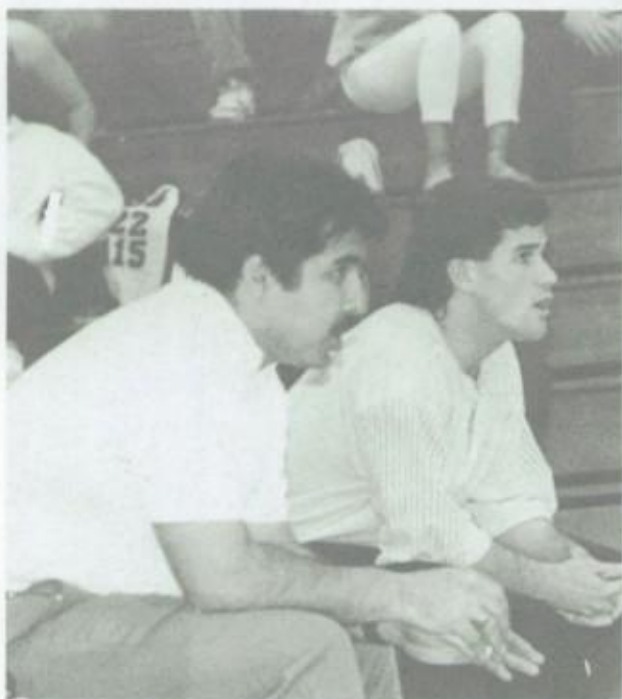

We were led by Mike Freeman(Sr.), Ronnie Leos(Jr.), and Chuck Brotman(Jr.). Our team traveled to many schools this year due to having only 2 home matches.

Our team also traveled to many tournaments which included Northview Tourn., Valencia, Buena Park, and Whittier Tourn. Metal winners of tournaments were David Robles(128), Jaime Cortez(165), Mark Soto(175), Zeke Armenta(245). Some highlights from this season wwere when Mike Freeman pinned his opponent in 14 seconds from Santiago and also when Freeman, weighing 119, went up 3 weight classes and defeated his man weighing 132 from Taubuco Hills. So you know we'll be a force to reckon with the next couple of years to come.

Head Coach Fergus Mc Tagert added his experience to this Freshman team. Ryan Lewis led the team for the most touchdowns with three. Richard Ybarra was next with two and Aaron Hill followed with one touchdown for the season. The team finished the season with an overall record of 2 wins and 10 loses, but the experience and knowledge gained was much more valuable than a perfect season.

The rest of the starting team included: Chris Di-carlo, John Miller, Derek Rosa, Derek Walther, and the only freshman starter, Mike Conely. The highlight of the season was taking 2nd place over Buena Park in their own tournament. Over all, the whole team had a tremendous season.

VARSITY TENNIS

This year with only three seniors, Varsity Tennis succeeded in making CIF. Our greatest victories were our two wins against Sunny Hills. Though the regular season ended, Bonnie Sanger and Lourdes Lejano continued their winning streak to the Fryeway League. Our team captains were Melissa Beals and Shay Crocker. Ms. Wilson presided as the team coach. It was a great year!

VARSITY SOCCER

This '87-'88 season was a challenging and bouncy one. The varsity held 1st place for majority of the season with victorious, exciting games, but due to injuries the team jumped around places. In spite of the problems though they still looked spectacular giving themselves of a record of 11-5-2 (over all) and 7-2-2 (league). Captains Lori Sensi and Abby Osmondson did an awesome job keeping the team up and going through competitions and practices. Go Get 'Em Girls and Good Luck Next Year!!.

VARSITY SOFTBALL

Under the skillful coaching techniques of this year's new Coach Lazzarini, the Varsity Softball Team showed a lot of potential.

It is a relatively new team, with only five returning players from last year. The team consisted of only two seniors, catcher Monica Steele and pitcher Andy Hunter, and five freshmen. Great things were seen from the Sonora Raider Varsity Softball Team as the season progressed.

VARSITY VOLLEYBALL

The 1987 volleyball team showed much improvement over last year. Not particularly in the standings but as far as skills and teamwork we were a much better team. I feel much of this due to the fact that during the summer we participated in a volleyball league two nights a week. This league helped us to develop and improve our skills and court sense. As far as the season is concerned we did improve our record this year over last year by two wins and expect to better next year. This year we also had a volleyball player recognized to the first team all-league squad and that player was Tami Taber. Tami was our team captain and showed great leadership and spirit on and off the court and is well deserved of this honor. Laurie Thompson and Lorene Rudisill were also recognized and given an honorable mention. This year most valuable player was Laurie Thompson and most Inspirational was Tami Taber.

J.V. SWIMMING

The Varsity Swim Team of 1987-88 did a great job this year. Everyone contributed a lot of energy, and a great deal of their time to make this great team, what it is. The team had an outstanding season. The effort of the team really paid off. This year's team had a spirited out look. Very much like the boy's swim teams, this year's girl's swim team showed us the determination that goes into creating a super athletic team. Good luck for the future teams to come to Sonora.

J.V. VOLLEYBALL

This year Junior Varsity Volleyball had a rather depressing season, two wins and eight loses. In spite of our record, the J.V. team has a lot of potential. Some of the star players were freshman Cara Pommerenck, and Chris Jeannerett, sophomores Stacy Pommerenck, Lori Metcalf, Denise Russell, and senior Lori Johnson. With all of our sophomore and freshman potential, next year our team will be even better.

J.V. TENNIS

The J.V. Tennis Team had a great season. The team finished in second place. Awesome performances were turned in by Melissa Underwood, Kathy Volmer, Vicki Russell, and Roxanne Peck. The team's spirit, which was led by Jennifer Zaczyk, helped the team through many tough matches. The J.V. team is looking forward to another great season in 1988. The team was coached this year by Sandra Thatcher.

J.V. SOCCER

This years Junior Varsity Soccer made a name for themselves for the first time this year. After the varsity team won the Freeway League the last two years, the ability to win came to the J.V. team also. This year, they were second in the league to Rosary, and we tied them the second game. Our leading scorer was Karin Freeman, and our leading defensive stopper was Jennifer Iseley. Good Job Team!

J.V. SOFTBALL

This years Junior Varsity Softball Team did a great job. The players learned to act and play like a team and had mutual respect for each other. The J.V. players had a hard and challenging season. They had many victories, as well as losses. The team was outstanding. The team showed a lot of spirit and pride. We hope to see some of the girls out there again next year. Good luck for the future teams to come to Sonora.

GIRLS' SPORTS

This year the girl's tennis team had a super season. The star players consisted of: Bonnie Sanger, Adina Curb, Tara Reilly, Melissa Beals, Shay Crocker, and Lourdes Lejano. Even though they were eliminated in the first round of C.I.F., they had a very competitive season. Well as tennis, girl's soccer also had a tremendous season. They finished second in league and missed first place by only one point. They were also eliminated in the first round of C.I.F. due to not having a full team. All the team players were outstanding. Some all league players were: FIRST TEAM: Abby Osmundson and Laurie Thompson, SECOND TEAM: Liz Wierenga, Lori Sensi, and Laura Veringa, THIRD TEAM: Dionne Basler, Tami Wallace, and Tami Taber.

PTA

This year, the PTA lived up well to its reputation long associated with the organization. Many parents and teachers devoted a lot of time to help bridge the gaps between parents, teachers, and students. Besides furnishing the PTA newsletter, the PTA also bought special equipment for the athletic program, oversaw the academic booster club, and provided scholarships for high-achieving students.

BOOSTER CLUB

This year's Booster Club again assisted the clubs, sports, and other organizations on the Sonora campus. They furnished new uniforms for our football team and even donated much money to help out all Sonora sports and P.E. classes by updating all of Sonora's P.E. facilities. They have also helped out Sonora academics by paying for many AP/IB tests taken by many of Sonora's honor students. By allowing clubs to work Bingo nights, they also provided an easy way for clubs to earn money on their own. Good job!!!

RAY LAWSON

Ray will be remembered as a teacher who was liked by students and faculty alike and who loved to teach geometry and did it well. Ray had a marvelous rapport with his students. He cared about his students. And they knew it. The faculty will remember Ray for his generosity. His support for his fellow teachers was unswerving and he never failed to point out an injustice when his sense of fairness was violated. Ray enjoyed playing golf almost as much as he enjoyed teaching geometry and he was very proud of his hole-in-one. We will all miss his "Hi, Babes"!

JULIE SMITHER

Julie Smither brought great joy to many individuals. Her warm smile, constant laughter, and optimism kept those around her full of life. She loved many things: her family, friends, and especially life itself. Julie's memory is still as vivid and alive as she was. These happy memories fill the void left by her absense. The graduating CLASS of 1988 has one less person, but one more soul; for Julie Smither lives within the hearts of many. She was a beautiful person who is greatly missed.

Until we meet again
I love you,
Edra Velasquez

Julie was the best friend anyone could ever have. I miss her ever so much. She would make me happy when I was down, she would cry, laugh, and sing with me. Julie did a lot of crazy things, but even though she is gone I know she is happy and in a much better place. In our minds Julie will be walking with us on the biggest day of our lives! Julie, you're the BEST friend I could ask for. You are with me everyday.

I love you,
